

2017-18 GRANT APPLICATION GUIDELINES

South Hills Jewish Pittsburgh Grant Program

South Hills Jewish Pittsburgh connects Jewish individuals and families living in the South Hills with each other, synagogues and other community agencies. We strengthen our community through collaboration with existing organizations while enhancing awareness of existing programs and creating opportunities for engaged, under-engaged and unaffiliated South Hills Jews to become more interconnected.

A successful grant application will demonstrate the proposed project's ability to create opportunities for Jewish individuals living in the South Hills to connect with each other and community agencies, resulting in “more Jews doing more Jewish together” in the South Hills.

Guidelines

1. South Hills Jewish Pittsburgh (SHJP) advises all prospective applicants to contact the SHJP office for consultation in advance of submitting a proposal.
2. Applications will be reviewed on a rolling basis within 7 days of receipt. The proposed program or event must occur no less than 45 days in the future from date of application. Exceptions are possible, but will be reviewed on a case-by-case basis.
3. Grant funding can be used for, administrative, staffing, supply and other expenses required to help support a program. South Hills Jewish Pittsburgh discourages applications for capital expenditures such as equipment, building, plans, construction or renovation. If your request falls into one of these categories, please contact the staff at SHJP office for help with identifying a potential alternate source of funding. Most grants awarded will be in the \$750-\$3,000 range.
4. Priority will be given to applications that are consistent with the SHJP mission to fund programs with a community focus rather than an institutional focus with a preference when possible or practicable that the program take place in a public space rather than a synagogue. South Hills Jewish Pittsburgh is looking for applications for new programs/events but will consider similar grants to programs funded in past years provided that there must be some recognition of a change (location, partners, topics, etc.) from previous years.
5. Applications for programs that have a religious service component and might be held in a synagogue will only be considered either if the application is jointly sponsored by more than one South Hills Jewish organization, or if sponsored by one organization in a community/public space.
6. Applicants that are awarded grants will be required to recognize South Hills Jewish Pittsburgh (via logo and/or name recognition) on all printed materials, website, email, newsletters, social media posts and other means at their disposal when applicable for each program or event. The grantee will make best efforts to work with SHJP to accomplish this basic request.

7. Applicants that are awarded grants will be required to submit an attendee list, and a progress and/or final report. We will also require, when applicable, a mutually agreed upon registration form. It is our intention to understand the affiliation levels of attendees and will work with you to best fulfill this requirement. The list will be used for post-event communication and census information, and will not be used for fundraising.

8. Applicants that are awarded grants will be expected to use the grant as outlined in the grant application. If the grant is not used within 90 days of the date of the originally scheduled event or program, South Hills Jewish Pittsburgh may request that the grant funds be returned.
